INSTRUCTIONS

Prior to conducting interviews:

1. Separate identification flaps from all applications. This should be done by someone not involved in the interview/selection process.
2. Count the total number of applications received and indicate the number on the left hand portion of the form.
3. Place flaps in a confidential envelope. These flaps will be sent to the Equal Employment Opportunity (EEO) Officer, along with the Competitive Rating Report (CRR) package after the hiring interviews are conducted.
4. Proceed with the interviews. The EEO Office **strongly** recommends that there be **at least** two people on the hiring interview panel.

After all interviews have been conducted and a hiring recommendation has been made:

1. Complete the CRR for ALL hires including part-time, seasonals, and student assistants. (Note: only the right hand portion of the CRR and the total number of applications received is to be completed by the Manager.)
2. Gather appropriate signatures.
3. Submit the following to the EEO Officer in Sacramento:
 - * Completed CRR
 - * Envelope with confidential identification flaps
 - * Copy of the job announcement
 - * Job criteria
 - * Questions used in interview (which will be kept confidential)
 - * Completed rating sheet.
4. Each hiring manager should be aware that a commitment can be made once the CRR has been completed and signed by the Division Chief. The EEO Officer will receive and review the CRR including all attachments for completeness. The Division Chief will notify the Personnel Specialist that a hiring commitment has been made.
5. For further information refer to the current Administrative Services Letters (ASLs) on hiring procedures.
